OUR MISSION & VALUES

The mission of the Institute for Clinical Social Work, an institution of higher education, is to prepare scholars and practitioners to advance the knowledge and quality of practice in the fields of clinical social work and counseling and to serve diverse communities through professional and academic contributions.

In keeping with our roots in social work and our commitment to social justice, we develop psychodynamically informed professionals who recognize and celebrate diversity, practice compassionately, and have the knowledge and skills to empower people to lead meaningful lives.
